---

*Studies in Classicism and Romanticism* is an academic series published on-line by the Centre for English, Translation and Anglo-Portuguese Studies (CETAPS) and hosted by the central library of the Faculdade de Letras da Universidade do Porto, Portugal.

*Studies in Classicism and Romanticism* has come into being as a result of the commitment of a group of scholars who are especially interested in English literature and culture from the mid-seventeenth to the mid-nineteenth century.

The principal objective of the series is the publication in electronic format of monographs and collections of essays, either in English or in Portuguese, with no pre-established methodological framework, as well as the publication of relevant primary texts from the period *c.* 1650-*c.* 1850.
